

MHL™ Soft Velvet Touch

Overlaminating Film

MHL™ Soft Velvet Touch is a 1.4 mil (35μ) nylon thermal laminating film with a velvet matte finish and anti-curl properties. It provides excellent clarity and a soft, luxurious feel to graphics. The film also offers scuff resistance for added protection.

Typical Applications

- Recommended for soft book covers, postcards, pocket folders, brochures, calendars, and presentation covers.
- Ideal for single-sided lamination.

Physical Characteristics

<i>Film Thickness</i>	1.4 mil (35μ)
