

The Retractable II™

A classic roll-up style with all-metal construction and reinforced side plates, The Retractable II™ is a solid banner stand.

The stand has a silver base and comes packed in a nylon carrying bag. The Retractable II™ also has two top rail styles - self-adhesive or clamp. Assembled dimensions are 33.5" (850mm) wide by 78.875" (2003mm) to 79.25" (2013mm) tall, depending on the top rail style selected. The overall height can be extended to 87" (2210mm) with an optional height extender.

Suggested print media: Polypropylene Matte Print Media, Printable Eclipse™, SilkScape™
