

POLAR™ CARPET

*BOOST FOOT TRAFFIC WITH
CREATIVE CARPET GRAPHICS*

**INDOOR
DURABLE**

REMOVABLE

ANTI-SLIP¹

Polar™ Carpet is a 4 mil (100μ) printable, matte white self-adhesive PVC film with a high-tack, removable gray acrylic adhesive.

The film can be adhered to, but easily removed from, short pile carpets. Durable to withstand heavy foot traffic, Polar™ Carpet is ideal for indoor floor graphic advertising at tradeshows, point-of-sale or furniture stores.

¹When combined with Drytac's slip-certified laminating films, Polar™ Carpet provides slip-resistant carpet graphics.

Polar™ Carpet is compatible with (eco) solvent, UV and latex wide-format inkjet printers. Available in widths up to 54" (1372mm).
